XdB™ XTREME DYNAMIC BASS **Enhanced Subwoofer**

ALTEC LANSING®

inMotion™

PORTABLE AUDIO

ROCK THE HOUSE!

Take your tunes to the bedroom or a party for a couple hundred of your best friends. Either way, the iM7 cuts through the noise. Its built-in dual-sided subwoofer comes through like a sonic boom. Fits and charges most iPods with a dock connector, and links video and photo-capable players to a TV set. Comes with a remote control.

iM7

- ***high performance everywhere you go***

  Patent-pending high efficiency digital amplification delivers consistent, powerful sound from a compact system.

- ***deep bass***

  Feel the exceptional low frequency bass from the built-in 4" side-firing subwoofer enhanced with revolutionary XdB technology.

- ***smooth mids***

  Two 3" *neodymium drivers* deliver smooth mids and mid bass.

- ***crystal-clear highs***

  From two custom-designed 1" neodymium tweeters.

- ***built-in iPod cradle***

  Adjusts to fit your iPod and recharges it while you listen.

- ***portable design***

  Runs on batteries* or plugs into the wall.

- ***video output for iPod photo***

  Play your photo albums on most TVs.

- ***wireless remote and built-in controls***

  Basic iPod functions, as well as the speaker system's stand-by, master volume, bass, and treble are at your fingertips with a wireless remote. Just sit back and enjoy!

- ***convenient auxiliary input jack***

  For connection with other audio devices, including laptops, older iPods, iPod shuffle, and other MP3 players (cable included).

- ***universal power adapter***

  With international plug set included.
